Yes – it's about the spill in Colorado. So we need to get it to Stacey and Jonathan, and we need to get the right group of folks together in the next day or so to talk about how to respond (without pulling people who are actually doing the emergency response).

Nichole – am assuming you and Stacey can help figure out the right people.

Haven't read it yet but assume it's another oversight letter.

Subject: Letter from Chairman Smith

Tom,

Attached is a letter from Chairman Smith to Administrator McCarthy regarding Gold King Mine. Please confirm receipt, and let me know if you have any questions.

Sincerely,

Lamar
